SYNOPSIS:

The Promise: A Musical Drama on the Life and Ministry of Jesus Christ
Book by Jan Dargatz; Music & Lyrics by Robert Sterling & Deborah Craig-Claar

The Promise is the story of Jesus from before Creation to His Ascension. As told by the storyteller, Nicodemus, a Pharisee turned believer, this dramatic Easter musical speaks to God's love for His creation—man—that He would send His only Son to take away the sin of the world. Audiences will experience music, drama, live animals, and Jesus' ascension that capture the wonder of Easter and how a personal encounter with Jesus Christ is the only way to bring true freedom.
